

Franverleigh Lodge

Thank you for booking with us at Franverleigh Lodge.

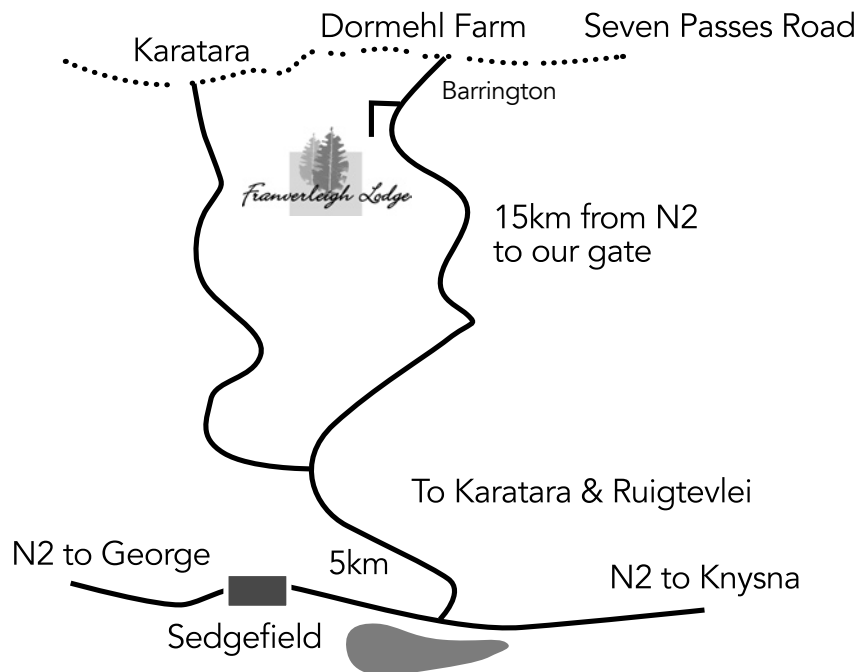

We wish you safe travels and look forward to welcoming you.

Sedgefield-on-sea can easily be accessed by road as it lies on the N2 between George and Knysna.

Turn north on the Karatara Ruigtevlei road - opposite Groenvlei and just past Lake Pleasant resort. This turning is 5 kms east of the centre of Sedgefield.

Drive straight up the hills towards Barrington. Our signboard and farm gate are on the left immediately after the 15 kms distance marker from the N2.

We are 1km from the farm gate and through a second gate. Our neighbours are Teniqua Treetops and they have brown tourist signs to help find the way.
